INTEREST RATE CHANGES – Interest rate and APY may change. The Bank may change the interest rate, solely at its discretion, at any time.

ANNUAL PERCENTAGE YIELD is based on principal and interest left on deposit for a full 365-day year with interest compounded at the same interest rate. Withdrawal of interest will result in a lower Annual Percentage Yield than stated.

ACCRUED INTEREST – For cash deposits, interest begins to accrue on the Business Day the Bank receives the cash deposit. For noncash items (e.g. checks), interest begins to accrue on the Business Day the Bank receives credit for the noncash items. If the account is closed before interest is credited, the Bank will pay the accrued interest.

BALANCE COMPUTATION – The “**Daily Balance**” method applies a daily periodic rate to the principal in the account each day.
