NON-INTEREST BEARING CORPORATE ANALYZED CHECKING EARNINGS CREDIT AND FEES – The Bank calculates a monthly allowance on its fees by applying a market based rate to the average positive available balance, less a reserve factor. The result of this calculation represents the deposit earnings credit amount that is used to offset the activity fees for the services the Customer used. When the fees exceed the Customer’s deposit earnings credit, the Bank will charge the difference to the account.

ANALYSIS OF ACCOUNT RELATIONSHIP

All of the Customer’s Corporate Analyzed Checking accounts can be grouped together to determine the deposit earnings credit and service charges. A single control account is used to manage the relationship.

NEGATIVE BALANCE PENALTY

For days when the available balance is negative, a negative balance penalty will be applied to the account.

INTEREST BEARING NOW CHECKING ACCOUNT FEES – Interest paid on Now Checking is credited monthly. Maintenance and service fees are charged to the account monthly. The Bank does not calculate a deposit earnings credit on interest bearing business checking accounts. Eligibility for an interest bearing business checking account is determined in accordance with Federal Law and Regulations.

INTEREST RATE CHANGES – Interest rate and APY may change. The Bank may change the interest rate, solely at its discretion, at any time.

ANNUAL PERCENTAGE YIELD is based on principal and interest left on deposit for a full 365-day year with interest compounded at the same interest rate. Withdrawal of interest will result in a lower Annual Percentage Yield than stated.

ACCRUED INTEREST – For cash deposits, interest begins to accrue on the Business Day the Bank receives the cash deposit. For noncash items (e.g. checks), interest begins to accrue on the Business Day the Bank receives credit for the noncash items. If the account is closed before interest is credited, the Bank will pay the accrued interest

BALANCE COMPUTATION – The “Daily Balance” method applies a daily periodic rate to the principal in the account each day.

STATEMENTS ARE MAILED OR MADE AVAILABLE PERIODICALLY – Statements for checking accounts are made available monthly.

RECORDCHECK – If the Customer chooses this service, the Bank will keep a record of the cancelled checks instead of providing image copies of the front of cancelled checks with the statement. If the Customer needs a copy of a cancelled check, the Bank will mail it to the Customer. A reconstruction fee may apply if a total reconstruction (copies of all checks and/or statements) is requested for one or more statements.
