

Interest Bearing Business Checking Account

Terms and Charges Disclosure

PRODUCT	METHOD USED TO CALCULATE INTEREST	COMPOUNDING PERIOD	MINIMUM BALANCE TO OBTAIN APY	INTEREST RATE/ANNUAL PERCENTAGE YIELD (APY)	INTEREST IS CREDITED
Interest Bearing Demand Deposit	Daily Ledger Balance			Rate: APY:	Monthly

INTEREST BEARING DEMAND DEPOSIT ACCOUNT – The interest paid on the Interest Bearing Demand Deposit Account is credited monthly.

INTEREST RATE CHANGES – Interest rate and APY may change. The Bank may change the interest rate, solely at its discretion, at any time.

ANNUAL PERCENTAGE YIELD – The Annual Percentage Yield (APY) is based on principal and interest left on deposit using a 365-day year with interest compounded daily at the same interest rate. Withdrawal of interest from the Interest Bearing Demand Deposit Account will result in a lower Annual Percentage Yield than stated.

ACCRUED INTEREST –For cash deposits, interest begins to accrue on the Business Day the Bank receives the cash deposit. For noncash items (e.g. checks), interest begins to accrue on the Business Day the Bank receives credit for the noncash items. If the account is closed before interest is credited, the Bank will pay the accrued interest.

BALANCE COMPUTATION – The “Daily Balance” method applies a daily periodic rate to the principal in the account each day.

STATEMENTS ARE MAILED OR MADE AVAILABLE PERIODICALLY – Statements for checking accounts are made available monthly.

RECORDCHECK – If the Customer chooses this service, the Bank will keep a record of the cancelled checks instead of providing image copies of the front of cancelled checks with the statement. If the Customer needs a copy of a cancelled check, the Bank will mail it to the Customer. A reconstruction fee may apply if a total reconstruction (copies of all checks and/or statements) is requested for one or more statements.
